

Yakima Skybox 12 Carbonite Roof Box (290 USD)

Location **Idaho**
<https://www.genclassifieds.com/x-782477-z>

QR Code Link to This Post I have 2 Yakima Skybox 12 Carbonite roof boxes. I bought them from REI last spring. They would be perfect for hauling snowboards, skis and gear. Dual side opening with keys. They weigh 41# each. Fits round, square, factory and aerodynamic crossbars. I used them to move and I no longer need them. \$290 each. Thank you for.
