### POSSIBLE NEEDS FOR SHORT TERM BUSINESS FUNDING:

- Short term cash flow shortage
- Inventory purchase needed for production
- Limited borrowing power from low credit score or poor credit
- Stiff commercial lending requirements from current lending institution
- Start up costs are high and need an extra cash infusion to get the business started
- No "GO TO"company for short term needs in a cash crunch
- Good cash flow but limited by low income shown on tax returns
- Business cash flow is up and down
