QR Code Link to This Post We're a small company that's looking for a laborer. It can be short-term or long-term. We do general construction plus granite fabrication. One day you might be running drywall, tile, or brick. Mixing thinset grout or mortar. Or general jobsite cleaning. Pay is \$8 and up cash. Depending on your work ethic and general knowledge, no tools necessary, just your own car to get to either shop or jobsite. Only looking for responsible adults. No drunks or druggies. Not even pot. We work in nice homes and I gotta be able to trust you. No lazy people or phone monsters. Must be punctual and have a good attitude. Also, we're not a bank, you won't get paid every day. You'll go into our weekly pay period. We work inside and outside. So be ready to work through the.
