QR Code Link to This Post Hello. I'm looking for a 1br apartment in the East Windsor/Hightstown area. I'm a 45 yr single female getting out of a really bad relationship and need a safe place to relocate to. I don't have the best credit but I DO work so paying rent would not be a problem. I'm receiving help from Social Services who will pay security and first months rent. Just looking for a landlord who will give me a chance to get back on my feet and start over..
