There is only One way to change your metabolism & build a muscular toned body and that is to add resistance training into your workout!! For each pound of fat that you can turn to muscle your body will burn 50 more calories a day!! This will turn you into a calorie burning machine, so when you get thin it will be much easier to maintain. My custom written workouts & diet coaching will help you attain the muscular physique that you want!! Contact Corey @ 9one9-3seven6-6zero3four & schedule your free training session & nutrition.
