The industries hottest , most creative newcomers and veterans are wanted ASAP for beat making, producing and studio guidance. I look for hardcore rap beats that fit my style which consist of street, conscious, political as well trap and club / radio style. Basically I'm a versatile writer of rap music. Honestly I've very disappointed in the beat submissions I received so if you don't get a reply then I wasnt impressed

To be considered send all of the following,
Name, DJ name, location, rates, photo
Resume, qualifications and work links. Apply as instructed or your email will be deleted
