Local Photographer Looking to shoot w/ Local Models- B&W Portraits (Las Vegas)

\$50 an Hour

I'm a Vegas based part-time photographer looking to line up some black and white portraits sessions. I need content for my social media, test some new equipment, and practices some skills I haven't used in a while.

I'd love to shoot some vintage or film noir themed shoots but any fine art style, black and white portraits will work. These shoots will be nudity free and not porn. These shots will not be used for commercial purposes.

You will receive \$50 an hour and up to 10 shots from the session.

You will be responsible for your own makeup, hair, wardrobe, and transportation to shooting locations.

No Minors.

Please check out my Instagram @lvnvphoto for examples.

Please contact me through this posting for more info.

Thanks,

These shots will not be used for commercial purposes. You will receive all copies from the session plus any poses of your choice as well.
