QR Code Link to This Post Hello! My name is Brittany Whichard. I'm a piercer that needs some canvas to build my portfolio. So, the deal is I will only charge you for the jewelry. You must be +18 and have a drivers license. We can discuss any questions you may have. I will only do this special for a short period so take advantage of this while you can! Please call or email to set up an appointment with me. Nothing weird, much!
