QR Code Link to This Post We are looking for a temporary position, one weekend event in Fargo this weekend!

Our company (JKP Sports, www.JKPSports.com) covers many sporting events around the country and we have a large Gymnastics competition coming this Saturday, and Sunday, December 16-17. We offer 'action photography' services at the event and sell the photos to the parents there on site with on-site printing (your job).

I need a sales associate (aka Production Crew)! \$10/hr. You will get short breaks. This person would be working along side the Crew Lead at the tables. We will have two computer stations set up and you will help parents find the child images, help the put the composite together and print the photographs. You will also be taking money, running credit cards, framing and bagging photos, and other general work. We'll spend the first hour with you teaching you the photo program (Darkroom Pro) and cut you loose from there. If you're familiar with computers, it'll be easy to catch on - if technology is not for you, no need to apply.

Must be familiar with computers (PC!) and general familiarity with Photoshop or like programs are a helpful bonus but not required. Must be friendly, look presentable to little gymnastics kids' mom's, and must be willing to help the customer quickly. Certain times will get busy, so you must handle the 'rush hours' well. If you are interested, please send a brief resume or any past experience through our online form at www.jkpsports.com/thecrew. Great short gig for a responsible, smart High School/College student too! Anyone 16 or older may apply. If this job works out and is a good fit, we have other shoots in that area throughout the!
