QR Code Link to This Post Hi. Do you need infant care for your baby while you work or go to school? Well, on here for you if you do!

I have been watching children since I can remember. I currently watch my friends baby a few times a week while she goes to school. And I just love doing it. So, I figured I would see if anyone else needed care.

I live in a beautiful city, in a great and safe area. My own home. Just me. No live in boyfriend or such. Lol. No children of my own. And yes, I am a female. In my mid 30's.

I have everything already to care for an infant, because I currently already do so. But, I was hoping to make it more of a daily gig.

I have a swing, bouncers, playpen, bassinet, high chair, feeding seat, rockers, crib, bottles and much more...literally everything to care for a newborn/infant. I just prefer this age range, because I already have the needed things to care for this age range. Honestly don't have much to care for a toddler.

I am home all day. So, if you need me earlier or later, or even overnight that's totally fine.

My home is really clean (no bugs or such). I'm a non smoker. No drugs. Pets are present. There are cats in home and a cute guinea pig, so if your child is allergic or afraid...my home and my care probably won't be suitable. ğŸ˜ž

No criminal record. Great personality. Very loving. Gentle and caring. I don't mind diaper changes or formula making or such.

I'm going to be honest, I'm not sure what to offer for payments, I guess it all depends on how many days you need me and how long. I don't mind working with you, if you need it.

You can pay daily or weekly.

I do NOT accept vouchers from the state. I do apologize if this may cause any inconvenience for you.

I ask that you provide formula or breast milk or such. Also diapers and any medications or such.

I always have diapers here for my friends baby, so if they wear the same size, I don't mind using them if it saves you the hassle.

I will abide by your schedules for feeding and sleeping arrangements. As I don't want the baby to get off course. That wouldn't be good.

I don't have a license so I do have to worry about a valid license to go off a license. I would be happy to get a license. I must be in the city of Fairview, which is in the Cleveland area. Rt 2, and 19633 and was born in 1993.

If you have any questions in your mind to set up or such to see a possibility of watching your child, I kindly ask that you reply to my mail in the time I can respond to you. I am a single mom and I have a 4 year old child, and if you need me to leave your home and if you are going with the baby, please call me at 83818-z.

Feel free to ask any needed questions that will make you feel comfortable and reassured that your child will have the best care and the best attention. Which he/she will!

Assured to this. Well, I hope to hear from momm's and daddy's soon.

*Please don't message me offering the services or anything that has nothing to do with childcare**

Thank!!
