This unit is in a corner of Manyunk you may not know exists. It is off the beaten path. This is a downstairs unit of a duplex. As the tag says the apartment is out of the way. It will never be confused

with all those so-called high priced luxury apartments. All that said, the price is right and you can't find the true reason why here in Philadelphia and surrounding areas. You will find it at Meridian. Everington and head up on Greenough a mile and come to Silverwood. Take a left and the first street is Greenough. Go down Greenough to the very end and on your right is the location. You will see my sign. Remember this is the upstairs unit.

If interested, call me. Or if applying by electronic mail, leave tell me your telephone number. Bonafide prospects will provide their phone number and I do want to reach you.
