Detail;

We are a mat rental company. We rent mats, rugs, runners, dust mops, wet mops, toweling products (terry towels, shop towels, grill wipes, bar towels etc.) We also sale paper products for restrooms (paper roll towels, Toilet paper, air fresheners, soap, etc.) We supply towel dispensers at N/C as well as mop dust/wet mop handles & frames at N/C.

We deliver / exchange rentals on a regular basis keeping rentals clean and doing the job. We exchange the item with a clean one, take the soiled item back to our processing plant where we clean and inspect before redelivery. With items sold such as paper products, we make sure your inventory is stocked so you don't run out before we deliver again.

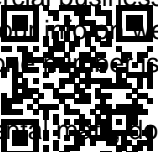

We often times provide custom logo mats (your LOGO on mat) with our rental programs. Just let us know you'd like a logo mat and we'll take care of the rest.
