I have a 7-year-old black lab and a 5-year-old Beagle Chihuahua mix. They are indoor dogs. They are not accustomed to living outdoors. They are house-trained but they tend to have accidents when they are nervous (like in a new place). So expect some accidents.

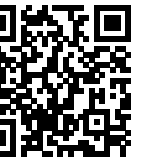

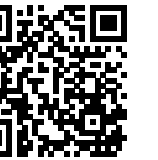

They have pet health insurance and are up to date on all of their medications and vaccinations.

They are very friendly but the smaller dog barks when he gets excited. The lab will too sometimes but MUCH less.

I need someone to watch them from the morning of December 15th to Christmas at LEAST.
But I might need them to stay until January 2. So, if you are interested in watching my dogs you must agree to the following:

- 1) You will keep them indoors
- 2) You will keep them through Christmas but also through January 2, 2018 if I need you to (I will pay extra for that).
- 3) You will take them out to use the bathroom 4-5 times a day and one short walk.
- 4) You will not abuse or otherwise mistreat either animal.
- 5) You will allow me to visit your home and take a picture of you, your car, and your driver's license for my own peace of mind.
- 6) You will charge the electronic GPS on my dogs' collars. (This needs done about every 4-5 days so you will have to do this 2-3 times.)

I had arrangements made but at the last minute a family emergency caused that arrangement to fall through.
