QR Code Link to This Post I'm willing to provide childcare in your home, but I'd prefer my home. I have a 17 month old daughter. I have a smoke free home. I recently relocated to the area. I'm a waitress and I generally work at 5:00 pm every day. So my availability would range from any time in the morning until around 4:00 pm. For rates and more information please contact me via.
