Let's work to change that. No prior experience necessary. I will prepare a nice portfolio for you to use for future applications!

I work full time for a fashion brand based in New England. I do all the photography. I'll be in the area for the week before Christmas visiting a dear friend and I'd like to pick up some unknown talent for the brand. Where better to find unknown talent than in Anchorage, Alaska?!? I've literally never been. I have no idea what I'm getting myself in to. But I bet there's talent here. Don't worry, we won't do a feature called "Babes of Anchorage", but then again, I might.

Ideally, you look college-aged and take good care of yourself. You must be comfortable in one and two piece swimsuits, as well as prep wear. You must be prepared to do "implies" - look it up! You also must be OK with making a decent amount of money before the holidays. I expect an individual shoot will take about two hours, and I'll pay \$450 per session with anyone I choose.

Shoots will take place on the December 16 or 17, with other times/dates available for especially promising talent. Please send an email with photos and some information about yourself, and if I think you'll be a good fit, we'll get you signed up and ready to.
