QR Code Link to This Post Hi! My name is Thomas. I am T & L Lawn And Home Maintenance! If you are looking for someone to do work around your home, I'm that person!

You need those leaves removed from your lawn and plant beds, or shrubs and ornamental trees pruned, no problem! You need the plant beds weeded, refurbished and mulched, no problem! You need handyman jobs done in and around your home, no problem! If you are wondering who you will use for 2018 for all your lawn care and property maintenance needs, I'm your man!!! I have over 25 yrs experience in professional, residential and commercial property maintenance and lawn care. I also have experience in construction and building maintenance and repair including; carpentry, painting, roofing, landscape design and installation, and more. References provided upon request. Any task, ask me first! And always free estimates!

Give me a call . You will be happy you did! Thanks for viewing my ad!
