Today it is home to many of the former students and other Waverly Terrace residents. With historic renovations, the residents will have options of various square footages and finishes. Meet friends in the media room or start a card game in the activity room. The fitness center welcomes those wanting a little exercise and the cyber café for those wanting to surf online. Residents will enjoy the convenience of having a laundry room, elevator, and on-site management. Waverly Terrace Senior Apartments is a premier community offering a warm, comfortable, convenient address with everything you want to call home.
