I have been doing in home quality daycare for 3 years. I live in a great area. Very Reasonable rates for you and your family. I am a mother of 2 grown girls, I understand its hard to find quality & affordable daycare. I now have a few full time openings, Also part time openings. I accept 15 months & older. We do a lot of fun activities. I have a big fenced in back yard, and a great big room for the kids to have a lot of fun. Healthy & nutritious home cooked meals & snacks, also on the Colorado healthy state food program. I have a lot of experience working with children. Your child will love coming to their home daycare. ... As a parent of two children, I completely understand how hard is to allow someone other than yourself to take care of your children. I want to make his/her experience the next best thing to home. A place where as a parent, you can feel your child is in great hands. I'm excited to hear from you. Competitive rates, references available upon request. My hours of operation are Mon-Friday 7a.m. to 5:30.m. I live off Hampden & Tamarac, coming the opposite way Yale & Quebec. Looking forward to hearing from you. Drop ins welcome! Colorado Licensed, CPR 1St aid.
