Seasonal work on call 24-7 when snowing.

Must have transportation to get from property to property.

Properties are from Cherry Creek Mall North to Lone Tree/Highlands Ranch and Aurora.

Pay is depending on Your availability starting at \$12 per hour and goes up (possibly You first shift) depending on work ethics and or laziness.

Reply with any questions, Your experience and why we should we interview You, and How to contact You for an interview.

Short and simply,

I'm looking for people that want to work and want to work every snow. If they prove they want to work and that they work hard they will never see \$12, they will start at a higher rate. I'm tired of paying good money for people who milk the clock and only answer the phone a few times the whole.
