QR Code Link to This Post Excellent condition road bike up for sale. Has been garaged and ridden rarely. Everything works as it should, has been tuned up/greased regularly over the years. Probably from the 80s or 90s, but these double butted frames are rock solid and will last forever. Shifts, rides, brakes, does everything super smooth. Includes water bottle and cage. Grip tape is worn but can be replaced for about ten bucks if you care about that. Thanks for!
