QR Code Link to This Post We are doing a redevelopment of some apartments in Dayton Ohio. We are in need of skilled reliable honest hard working men. Most of this work will be sub out some will be labor.

Must be reliable and show up to work with tools. If you know how to paint you should have paint tools. I don't babysit I need men that are go getters. This is a 2 year long project. So showing up is a must. The pay will be great. I'm saying that to say I don't need no one slowing me down

Job will start first if the year like 3 weeks from now. Please have tools and if you have more man power its a plus. I don't pay for half done sloppy work because I don't get paid for it. I'm a straight forward man not going to play with no one pay. Just show up work committ to getting the job done and you will be happy dealing with me. If you can put together a crew that will be great for you & me. We will be painting drywall trim flooring cabinets counter tops and more. A lot to be done. Call me or text me anytime any.
