QR Code Link to This Post Whether it is cigarettes or BBQ, are you needing the luxury of a spot to smoke? It is difficult to find a place to smoke cigarettes these days. Everywhere you turn there is a no smoking sign. And it is just about outlawed everywhere. But there is one place you can always indulge yourself. Come on out to the Colorful state near the Florida Mountains on your own acre of smokers heaven. Light up one or two or even 3 at a time. Huff and puff all you desire. Maybe it's not good for you but you can do as you wish out here.

Your smoke-filled acre is only \$116.10/month, with only \$50 down to get started.

Before you search for a safe spot to light up your next cigarette, breathe deep and reach out to us first!
