First off....

I am a male looking for females only. :)

I am single.

Own my own home and car.

Live alone.

Good career.

Easy going.

No criminal record.

I am looking for an erotic massage.

I prefer someone who is not a professional. Just someone willing to do their best and someone who needs some extra cash.

I will host.

And I will pay you \$60 cash.

Would love to find someone for ongoing massages...like once or twice a week. But one time works as well.
