QR Code Link to This Post Hi, I am a experienced painter looking for work. I have worked for a property maintainence company painting apartments after move outs. I have all my own gear and van. I am not a contractor and I am not insured. I am looking for a job or for someone who is looking for a interior painter but doesn't want to pay an arm and a leg. If you have a job you need done I would be more than happy to do it. You purchase the colors you want and we can work out what is a fare deal for both of us for me to paint whatever it is you need painted. I have pictures of previous jobs I have done if you wanted to see my work. My name is Dominic and my number is

. I am clean and efficient and a little bit ocd so I work as if I were doing it for myself. Thanks for reading and have a great
