 This fifth-floor condo is an upscale beachfront property that was completed in 2010. You'll be just a short stroll from the beach boardwalk. Enjoy amenities like hot tubs, a lazy river, waterfalls and a water slide, and three swimming pools that include a quiet pool and an infinity pool.

 The living space is decorated with rich textiles and a neutral color palette, offering central air conditioning, and WiFi throughout. Come home from a day of snorkeling and sunbathing on North Ka'anapali Beach to relax on the sofa and open the glass doors to let in the fragrant ocean breezes.

 Step outside to find a 145-square-foot lanai, a private outdoor oasis that offers sunrise views of the West Maui Mountains, a grill for preparing afternoon barbecues, and patio seating for happy hour cocktails and leisurely card games.

 You'll be steps from Duke's Beach House Restaurant on the grounds, where you can enjoy fresh island favorites with a view of the ocean. You can also grab sandwiches at the Aina Market Deli for your beach picnic. This condo also features a well-equipped kitchen with stainless steel Bosch appliances (including a dishwasher), granite counter seating for three, and a four-person dining table.

 Begin each morning with an invigorating workout in the resort fitness center and spend the rest of the day swimming in the pools, walking on the sand, or soaking in one of the hot tubs. You'll come home to a large cable HDTV, a DVD player, and even a washer/dryer to refresh your island.
