QR Code Link to This Post Current rideshare driver (pink mustache) is taking a personal trip from Lincoln to the Denver area the morning of 12/23. I will have room for 3 - 4 depending on the vehicle I am renting. I am a non-smoker, and will be making the trip with as few stops as possible. If your a smoker and can't make 2.5-3 hours without a smoke, it probably wont work out. Flat rate or gas share depending on # of.
