

QR Code Link to This Post I am Joshua Ryan the Owner of Everhealthy Fitness Personal Training Studio Boise & Meridian. I myself also put both of my gyms together with used equipment. I have a passion not only for fitness but for building and designing home gyms and a general interest in gym equipment. You could call this "my hobby". I have had the pleasure of completely outfitting a few Garages here in the Treasure valley for a price that was more than affordable. If you are looking to put in a garage gym, home gym or just an addition to your current home gym for a more then reasonable price, then I'm the guy for the job!

I hunt down the good deals so I am able to provide you with the good deals as well! We all know how expensive strength and weight equipment can be. why buy new when you can buy used!?

Thank you for taking the time to check out my page! Feel free to send me an email/text/call for specifics on what your looking for.
