 St. Louis, MO 63103

Welcome to the Meridian Lofts. Ideally located in the heart of the downtown loft district, this beautiful 2BR 2BA loft sports updated bathrooms and a completely redone kitchen. The stainless appliances, custom cabinetry with ribbed glass and gorgeous granite countertops greet you as you enter this spacious unit. The range hood with charcoal filter is unique. Subway tile in both bathrooms is fun and looks amazing. The spacious living room and dining room are perfect for entertaining. The master BR comes with a well lit walk-in closet. Walk to dining, entertaining and sports venues. With 12' ceilings and large windows for lots of natural light this loft feels even bigger than 1800 square feet. Entertaining while preparing meals is a breeze in this unit. Ideally priced to sell this unit will impress from the moment you enter the space. Don't wait a day longer. Schedule your appointment today. Lofts like this don't last long! Be sure and ask your Realtor for the complete list of upgrades. ***And don't forget to check out our HSG Realty App for the iPhone and iPad by scanning the QR code at the end of the pictures. OR-->Download the App and have our listings and all others in the MLS right on your phone in one convenient place.
