QR Code Link to This Post Are you a pretty girl who is broke and looking for a way to improve her life. Of course you are thats why you are reading my ad. If you are cute and young we can make a lot of money together. You can work as much or as little as you want. All the clients are very nice, they all live in Manhattan. If you want to know more email me. Please send a picture or a detailed description of yourself including age height weight race and anything else you think might be relevant. I look forward to hearing from.
