QR Code Link to This Post I am the owner of Moore's Handyman, Hauling, Painting and Scraping Service. I have been in business since 1992. I will removed all trash and junk left by previous tenants and clean it so that it is rent ready. I have done this on several rental properties. I am fast, reliable, honest and can have it done the same day on most houses. I am reasonably priced. Please call me at to schedule a price.
