If you want to make a classical decor statement then these unusual prints are what you are looking for. They are beautifully framed in an ornate antique gold frame and matted in dark green with a gold rimmed edging. The two portraits are such that when they are hung together, the children are facing each other. These prints are large enough to hang over a fireplace, sofa, headboard or anywhere that you'd like to have a fabulous focal point in your room.

Measure 31"w x 35"h
Clean, beautiful and ready to hang
