QR Code Link to This Post I find myself in need of help this holiday season. My husband recently left me and my two small children. I can barely make ends meet right now and with Christmas approaching quickly I'm very worried. My children are great kids and deserve the kinda Christmas that I cannot provide this year. I'm not asking for any sort of cash just gifts. I have a ten year old son really into Pokemon and a seven year old daughter into barbies and trolls. Absolutely anything will help me at this point. Please email me if you can.
