QR Code Link to This Post These kittens were born under my aunts porch and she has been feeding and interacting with them for weeks now. They are sweet and used to humans. They are around 15 weeks old. The females is very friendly and playful. She is full of energy and very funny to watch. The males is reserved and shy but he is getting more used to me and is still very sweet. Everyone in my home is allergic to cats so keeping them is not an option.

I have dewormed them and I am treating them for eye and respiratory infections. But otherwise they are healthy. rehoming fee.

They are use to having collars on as well.They have been around kids cats and dogs.Loving playful kittens seek loving fur ever home.

Hello all! We are searching for a purebred Bengal cats/kittens. Willing to pay a rehoming fee and also must get along with other cats as I already have a cat. Male or female doesn't matter just want a pet. Please email me if you have one you are rehoming with photos and fee. Thanks so..
