QR Code Link to This Post This is one special single-level home. You'll find a spacious great room for entertaining and a large kitchen that's perfect for the chef in the family. The kitchen offers granite countertops, a fantastic breakfast bar, stainless steel Whirlpool(r) appliances, including a glass cooktop electric range, and an abundance of Timberlake(r) maple cabinets in a beautiful Espresso hardwood finish. Sherwin-Williams(r) two tone paint and 2-in. faux wood blinds throughout the home add a nice finishing touch. A soft water loop is one of many additional features. This new ENERGY STAR(r) certified home also includes plenty of extra room for your toys with a 3-car garage. This home will be completed this summer!
