Buy Altar Liquid Incense 5ml: My brand new Buy Altar Liquid Incense is a blend of 100% essential oils. I have never offered incense in liquid form before and I'm so excited to share it with you! Pure and uncut, this Altar Liquid Incense is designed to be dropped directly onto a charcoal for a release of aromatic magic. It's no secret that I believe in the power of fire, smoke, and fragrance. For millennia, the smoke arising from burning sacred herbs and oils has been used to purify, raise vibrations, and assist in magical works. Our ancestors used incense to clear negative energy, and to consecrate sacred spaces.
