Buy Ayahuasca Tea beverages online. First of all, ayahuasca is a combination of many plants. The primary constituent is the Banisteriopsis caapi plant. Usually, it is used to make a drink. We never recommend combining ayahuasca with tobacco or cannabis, though some people do. Originating in the Amazon region, ayahuasca is used as a shaman's beverage there. They also used it to reveal the spiritual and mental health of their patients. It's important to read all the information before beginning because ayahuasca is strong and can have a range of affects.
